EUROMETAL REGIONAL MEETING
CENTRAL EUROPE

EUROMETAL is the European federation of steel tubes and metals distribution and trading.

The roots of **EUROMETAL** date back to 1950, when the European Community for Coal and Steel was created by Belgium, France, Germany, Italy, Luxembourg and the Netherlands.

EUROMETAL members are national federations of steel, metals and tubes distribution as well as distribution and trading companies having cross border activities in different European countries.
